

You're Invited!

Dear REINS Supporters,

Come join us and celebrate the accomplishments of our riding students and participants at the **REINS Spring Classic, a Fun Day Horse Show!** Classes and ribbon presentations will be held throughout the weekend of **Saturday, April 6th and Sunday, April 7th, 2024, from 9am to 4pm each day.**

This weekend will serve as a showcase of what our program does on a daily basis. See first-hand the compassionate collaboration of our instructors, volunteers and horses, and the impact it has on our students, participants, and families. Enjoy a day with all of us here at REINS with the ranch in full bloom!

Sponsorships and VIP Area available for purchase

This event is free to attend, but we have many opportunities to support this incredible weekend.

This remains a free event to attend, enhanced by the support of sponsors at every level. We are ready to help you show your support for REINS with unique recognition for you or your business throughout the event weekend. Our students, their families, hundreds of our volunteers, and thousands in our community will know who our Spring Classic sponsors are!

The enclosed opportunities flyer outlines the options for partnering with us. Each level of sponsorship offers unique recognition, starting with name/logo signage in our main arena.

On behalf of the REINS Board of Directors and myself, thank you for partnering with us to make a difference.

Sincerely,

Kaitlyn Siewert

Executive Director
